

Institutions that offer Instructional Design credentials

Bachelor's Degrees

Name	Course name
Walden University	B.S. in Instructional Design and Technology

Certificate Programs

Name	Course name
Anne Arundel Community College	e-Learning Instructional Design Certificate
ASTD	Advanced E-Learning Instructional Design Certificate
ASTD	Developing Online Learning programs
ASTD	E-Learning Instructional Design Certificate
Athabasca University	Post-Baccalaureate Certificate in Instructional Design
Athabasca University	Post-Baccalaureate Certificate in Technology-Based Learning
Athabasca University	Post-Baccalaureate Diploma in Distance Education Technology
Athabasca University	Post-Baccalaureate Diploma in Instructional Design
Bloomsberg University of PA	eLearning Developer Certificate
Boise State University	Graduate Certificate in Workplace Instructional Design
Boise State University	Graduate Certificate in Workplace E-Learning and Performance Support (WELPS)
California State University - East Bay	Certificate in Online Teaching and Learning
California State University, Sacramento/Sacramento State	Instructional Design for eLearning Certificate
Clarion University	Instructional Technology Specialist Certificate (ITSC)
Colorado State University	Organizational Training and Instructional Design Certificate
Drexel University	Graduate Certificate in E-Learning Leadership
Drexel University	Graduate Certificate in Learning in Game-Based Environments
Florida State University	Certificate in Online Instructional Development
Full Sail University	Education Media Graduate Certificate
George Mason University	E-Learning Graduate Certificate
George Washington University	Graduate Certificate in E-Learning
George Washington University	Graduate Certificate in Instructional Design
George Washington University	Graduate Certificate in Leadership in Educational Technology
George Washington University	Graduate Certificate in Training and Educational Technology
Illinois Institute of Technology	Certificate in Instructional Design (TID)
Indiana University	Certificate in Distance Education
Indiana University	Certificate in Instructional Systems Technology
Iowa State University	Instructional Design Graduate Certificate Program
Jones International University	Certificate in e-Learning Technology and Design: Instructional Design

Institutions that offer Instructional Design credentials

Kaplan University	Graduate Certificate in Instructional Design for Organizations
Kaplan University	Graduate Certificate in Teaching With Technology
Langevin Learning Services	Advanced Instructional Design
Langevin Learning Services	Certified e-Learning Specialist
Langevin Learning Services	Certified Instructional Designer/Developer
Langevin Learning Services	Web-Based Training
LaSalle University	Certificate in Instructional Technology Management
Lawrence Technological University	Graduate Certificate in Instructional Design, Communication, and Presentation
Marlboro College	Certificate in Educational Technology
Memorial University of Newfoundland	Certificate in Instructional Design for Online Courses
Mount Royal University	Curriculum Development and Instructional Design Extension Certificate
North Carolina State University	Certificate in Training and Development via Distance Learning
Penn State University	Educational Technology Integration (Postbaccalaureate Certificate)
Penn State University	Instructional Design for E-Learning Graduate Certificate
Portland State University	Certificate of E-Learning Development for Online Educators
Rio Salado College	eLearning Design Specialist Certificate
Roosevelt University	E-Learning, Graduate Credential
Rutgers University	Certificate in Educational Technology
Saint Leo University	Instructional Design Graduate Certificate
San Diego State University	Distance Education Certificate
San Diego State University	Instructional Design Certificate
San Diego State University	Instructional Technology Certificate
San Francisco State University	Certificate in E-learning Development
Southern Polytechnic State University	Advanced Graduate Certificate in Instructional Design
St. Cloud State University	Design for E-Learning Certificate
St. Cloud State University	Instructional Technology Certificate
Syracuse University	Certificate of Advanced Study in Instructional Design, Development, and Evaluation
Trinity College, University of Dublin (Ireland)	Post-Graduate Diploma in Learning and Technology
University of Arizona South	Graduate Certificate in Instructional Design and Technology
UNC (University of North Carolina) Online	Graduate Certificate in Educational Media, Instructional Technology: Web-based Distance Learning
University of Calgary	e-Learning Certificate
University of California - Irvine	E-Learning Instructional Design Certificate

Institutions that offer Instructional Design credentials

University of California - Los Angeles - Extension	Instructional Design for Online Programs certificate
University of Central Florida	e-Learning Professional Development Certificate
University of Houston	Instructional Technology Certificates
University of Illinois - Urbana-Champaign	eLearning Online Graduate Certificate Program
University of Maryland	Certificate in Foundations of Distance Education and E-learning
University of Maryland	Certificate in Instructional Technology Integration
University of Maryland	Certificate in Technology in Distance Education and E-learning
University of Maryland	Joint Certificate in Instructional Design for E-Learning
University of Massachusetts - Boston	Instructional Technology Design Certificate (online)
University of North Dakota	Instructional Design and Technology Certificates
University of South Florida	Instructional Design Certificate
University of Washington	Certificate in E-Learning Design and Development
University of Wisconsin - Milwaukee	Graduate Certificate in Professional Writing and Communication
University of Wisconsin - Stout	E-learning and Online Teaching Graduate Certificate
University of Wisconsin - Stout	Instructional Design Certificate
Walden University	Graduate Certificate in Instructional Design and Technology
Walden University	Post-Baccalaureate Certificate in Instructional Design and Technology
Western Kentucky University	Online Graduate Certificate in Instructional Design

Institutions that offer Instructional Design credentials

Masters Degrees

Name	Course name
Anna Maria College	Master of Education in Instructional Design and Technology
Athabasca University	Master of Education in Distance Education
Boise State University	Master of Educational Technology (MET)
Boise State University	Master of Science (M.S.) degree in Instructional & Performance Technology (IPT)
Boise State University	Master of Science in Educational Technology (MSET)
California State University - East Bay	Master of Science in Education, Option in Online Teaching and Learning
Capella University	Master of Science (MS) in Education
Central Michigan University	Master of Arts degree in Educational Technology
Colorado State University	Masters in Organizational Training and Instructional Design Specialization
Concordia University--Wisconsin	Masters of Science in Education - Educational Design and Technology
Drexel University	Master's in Professional Studies: E-Learning Leadership Concentration
Drexel University	MS in Learning Technologies
Florida State University	Master's in Instructional Systems
Full Sail University	Master of Science in Education Media Design & Technology
George Mason University	Concentration in Instructional Design and Development (IIDD)
George Mason University	Curriculum and Instruction, MEd -
George Washington University	Masters Degree program in Educational Technology Leadership
Jones International University	MEd in e-Learning Technology and Design
Kaplan University	Master of Science in Education in Instructional Technology
LaSalle University	Masters in Information Technology Leadership
LaSalle University	Masters in Instructional Technology Management
Marlboro College	MA in Teaching with Technology
North Carolina State University	Master of Education (M.Ed.) in Training and Development
Northcentral University	Master of Education in e-Learning
Northwestern University	Master of Science in Information Design and Strategy (IDS)
Purdue University	Online Master of Science in Education (MS Ed.) in Learning Design and Technology
Saint Leo University	Master of Science in Instructional Design
San Diego State University	Masters in Educational Technology

Institutions that offer Instructional Design credentials

San Francisco State University	<u>Master of Arts (M.A.) in Education with a Concentration in Instructional Technologies</u>
Southern Polytechnic State University	<u>Master of Science in Information and Instructional Design (MSIID)</u>
St. Cloud State University	<u>Master of Science — Information Media - Instructional Design and Training</u>
SUNY - Buffalo	<u>Educational Technology, M.S.Ed.</u>
Syracuse University	<u>Master of Science in Instructional Design, Development and Evaluation</u>
Texas Tech University	<u>Master's of Education in Instructional Technology</u>
Trinity College, University of Dublin (Ireland)	<u>Master's of Science in Learning and Technology</u>
University of British Columbia	<u>Master of Educational Technology (MET)</u>
University of Central Florida	<u>Masters in Instructional Technology - e-Learning</u>
University of Edinburgh (Scotland/UK)	<u>Masters (MSc) in E-learning</u>
University of Illinois - Urbana-Champaign	<u>Master of Education with a Concentration in eLearning</u>
University of Maryland	<u>Master of Distance Education and E-learning</u>
University of Massachusetts - Boston	<u>Master's of Education in Instructional Design</u>
University of Memphis	<u>Master of Science in Instruction and Curriculum Leadership/Instructional Design and Technology</u>
University of North Dakota	<u>Masters degrees in Instructional Design & Technology</u>
University of South Florida	<u>Masters of Education in Instructional Technology</u>
Virginia Tech	<u>Master's Degree in Instructional Technology</u>
Walden University	<u>M.S. in Instructional Design and Technology</u>
Western Illinois University	<u>MS in Instructional Design and Technology</u>

Institutions that offer Instructional Design credentials

Doctorate Degrees

Name	Course name
Athabasca University	Doctor of Education (EdD) in Distance Education Program Regulations
Boise State University	Doctor of Education in Educational Technology (Ed.D.)
Florida State University	Doctorate in Instructional Systems
George Mason University	PhD in Education, Learning Technologies Design Research (LTDR)
Keiser University	PhD in Instructional Design and Technology
Northcentral University	Doctorate (Ed.D) of Education in e-Learning
Syracuse University	Doctorate in Instructional Design, Development, and Evaluation
University of Memphis	EdD in Instruction and Curriculum Leadership/Instructional Design and Technology
University of North Dakota	PhD - Instructional Design and Technology
University of North Texas	Doctorate of Philosophy in Learning Technologies
University of South Florida	PhD in Instructional Technology
Virginia Tech	EdD in Instructional Technology
Virginia Tech	PhD in Instructional Technology
Drexel University	Instructional Technology Specialist Certificate
Keiser University	Educational Specialist in Instructional Design and Technology, EdS
University of South Florida	Education Specialist Degree in Instructional Technology
Walden University	Education Specialist (Ed.S.) in Educational Technology
